

Nitrogen Generator Supplier Free Technical Consulting Installation Guide 100 Nm3/H On-Site N2 Plant

Our Product Introduction

for more products please visit us on nitrogengeneratorsystem.com

Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: FLY SPEED
- Certification: CE, ISO 9001:2015
- Model Number: FS-N2-100SC
- Minimum Order Quantity: 1 Set
- Price: USD 15,000-46,000 / Set
- Packaging Details: Export wooden case with PE film protection, sea-worthy packing
- Delivery Time: 35-45 working days
- Payment Terms: T/T, L/C
- Supply Ability: 10 Sets per Month

Product Specification

- Nitrogen Purity: 95% - 99.99%
- Capacity: 100 Nm3/H
- Pressure Dew Point: ≤ -45 Deg C
- Air Source Pressure: 0.75 - 1.0 MPa
- Nitrogen Outlet Pressure: 0.1 - 0.6 MPa
- Voltage: 220V/380V/440V 50/60Hz
- Adsorbent: Carbon Molecular Sieve (CMS)
- Control System: PLC + Touch Screen HMI
- Documentation: Installation Guide + Manuals
- Free Service: Technical Consulting Included
- Warranty: 1 Year
- HS CODE: 8419609090
- Highlight: **Free Technical Consulting Service, Installation Guide Included, Reliable N2 Supplier Support**

Product Description

Nitrogen Generator Supplier with Free Technical Consulting & Installation Guide

Fly Speed is a professional **Nitrogen Generator Supplier** offering complete support beyond the machine. Every **100 Nm³/H PSA nitrogen generator** purchase includes **free technical consulting** and a detailed **installation guide**, ensuring your on-site N₂ system is selected, installed and commissioned correctly from day one.

Product Attributes

Attribute	Value
Brand Name	Fly Speed
Model Number	FS-N2-100SC
Capacity	100 Nm ³ /H
Nitrogen Purity	95% - 99.99% (Adjustable)
Free Service	Technical Consulting + Installation Guide
HS CODE	8419609090

Supplier Service Package

Free Technical Consulting: Expert guidance on capacity, purity and pressure selection based on your process requirements.

Installation Guide Included: Detailed step-by-step manual with drawings, foundation layout and piping diagrams.

Free Sizing Support: Our engineers calculate your nitrogen demand and recommend the optimal generator configuration.

Remote Commissioning Assistance: Video-guided startup support helps your team get online quickly.

After-Sales Service: 1-year warranty, spare parts supply and responsive technical support throughout the equipment life.

Training Materials: Operator manuals and maintenance checklists provided in multiple languages.

Technical Specifications

Parameter	Value
Nitrogen Capacity	100 Nm ³ /H
Nitrogen Purity	95% - 99.99% (adjustable via PLC)
Pressure Dew Point	≤ -45°C
Air Source Pressure	0.75 - 1.0 MPa
Nitrogen Outlet Pressure	0.1 - 0.6 MPa (adjustable)
Voltage	220V / 380V / 440V, 50/60Hz
Adsorbent	Carbon Molecular Sieve (CMS)
Control System	PLC + Touch Screen HMI
Documentation	Installation Guide + Manuals

Applications

Trusted by laser cutting workshops, heat treatment plants, food packaging lines and electronics factories worldwide that value supplier expertise and reliable support.

FAQ

Q: Is technical consulting really free?

A: Yes. Fly Speed provides free pre-sales consulting on sizing, purity and configuration, plus free installation guidance with every order.

Q: Do you help with installation?

A: We provide a complete installation guide, drawings and remote video-assisted commissioning; on-site supervision is

available on request.

Contact us today! Talk to Fly Speed for free technical consulting and get your nitrogen generator installed with confidence.
